# LETR ROUTES

## NEW ROUTES AND FINISH LINE FOR 2025

The Tri-County LETR *unites* law enforcement officers and agencies throughout Rockland County, Westchester County and Putnam County in support of the New York Special Olympics and in recognition of National Police Week. This year's LETR marks 39 years of support by Westchester County law enforcement and the fourth year united with support from Rockland and Putnam County law enforcement.

Department and Police Fraternal Organizations may participate with individual members and/or teams running different legs of the route. **In addition to running, the best way to help raise funds for the Special Olympics is by purchasing the event t-shirt(s). Individual or group/pba sales.**

This year's LETR course has been updated. It consists of five main legs, passing through multiple communities and law enforcement jurisdictions ending at **Riverfront Park, in Peekskill.**

The LETR is a great event to support the NY Special Olympics and honor National Police Week. Please engage the community on your social media platforms to encourage community members to come out to root for your team! If you run near a school, have them root for their officers!

The LETR has Run Captains representing law enforcement in each County to support the legs of the run. Info will be posted on the Tri-County LETR webpage.
